## ORC LICENSE

This Open RPG Creative license (“*ORC License*”) grants the right to use ORC Content subject to the terms and conditions set forth and referenced as follows:

### I. Definitions.

- a. ***Product Identity*** means trademarks, trade dress, and non-functional and creative expressions that are not essential to, or can be varied without altering, the ideas or methods of operation of a game, including works of visual art, music and sound design, and clearly expressed and sufficiently delineated characters, character organizations, dialogue, settings, locations, worlds, plots, or storylines, including proper nouns and the adjectives, names, and titles derived from proper nouns. The term Product Identity shall in no event include elements that have been previously designated as ORC Content, Adapted ORC Content, that are the exclusive property of one or more third parties, or that are in the public domain.
- b. ***ORC Content*** means (1) any material that would otherwise constitute Product Identity but that has been expressly identified as ORC Content by a Licensor, and (2) those expressions of ideas and methods of operation of a game, that are comprised of systems, procedures, processes, rules, laws, instructions, heuristics, routines, functional elements, commands, structures, principles, methodologies, operations, devices, and concepts of play, and the limitations, restraints, constraints, allowances, and affordances inherent in gameplay, including expressions describing the function of or providing instructions as to the following:
  - i. creation and play of player and non-player characters, including statistics, attributes, statblocks, traits, classes, jobs, alignments, professions, proficiencies, abilities, spells, skills, actions, reactions, interactions, resources, and equipment;
  - ii. systems and classifications applicable to gameplay, including alignments, backgrounds, classes, experience points, levels and leveling up, encounters, combat, initiative and turn order, movement, monster statistics, creature types, traps, conditions, buffs and debuffs, terrain types, challenge ratings, difficulty classes, skill checks, saving throws, resting and resource management, classification of magic systems, spell and ability effects, looting, items and equipment, diplomacy systems, dialogue options, and outcome determination;
  - iii. methods of determining success, failure, or outcome, and any expressions of such methods or of such successes, failures, or outcomes; and
  - iv. methods and mediums by which players play the game, including dice rolling, random number generation, coin flipping, card drawing and play, applying modifiers to results of chance, creating or filling in character sheets, moving and interacting with tokens or figurines, drawing maps and illustrations, speaking, messaging, acting, pantomime, writing notes, asking questions, and making statements.

For the avoidance of doubt, the term “ORC Content” expressly excludes Product Identity absent, and to the limited extent expressly designated as such by the Licensor in the notice published pursuant to Article III.

***Adapted ORC Content*** means derivative works based on the ORC Content that You create to the limited extent that such derivative works would otherwise constitute ORC Content. Adapted ORC Content expressly excludes works that would constitute Product Identity.

- d. ***Copyright and Similar Rights*** means copyright and/or similar rights closely related to copyright including, without limitation, performance, broadcast, sound recording, and Sui Generis Database Rights, without regard to how the rights are labeled or categorized. In no event shall Copyright and Similar Rights include trademark or patent rights.
- e. ***Effective Technological Measures*** means those measures that, in the absence of proper authority, may not be circumvented under laws fulfilling obligations under Article 11 of the

# DRAFT ONLY. FEEDBACK REQUESTED.

WIPO Copyright Treaty adopted on December 20, 1996, and/or similar international agreements.

- f. **Licensed Rights** means the rights granted to You subject to the terms and conditions of this ORC License, which are limited to all Copyright and Similar Rights that apply to Your Use of the ORC Content and that the Licensor has authority to license.
- g. **Licensor** means any individual or entity granting rights under this ORC License.
- h. **Sui Generis Database Rights** means rights other than copyright resulting from Directive 96/9/EC of the European Parliament and of the Council of 11 March 1996 on the legal protection of databases, as amended and/or succeeded, as well as other essentially equivalent rights anywhere in the world.
- i. **Term** means the term of the Copyright and Similar Rights licensed herein.
- j. **Use** or **Used** means to use material by any means or process that requires permission under the Licensed Rights, such as production, reproduction, creation of derivative works, public display, public performance, distribution, dissemination, communication, or importation, and to make material available to the public including in ways that members of the public may access the material from a place and at a time individually chosen by them.
- k. **You** or **Your** means the individual or entity exercising rights granted under this ORC License.

## II. Grants & Limitations.

- a. **Primary Grant to You.** Subject to the terms and conditions of this ORC License, for the Term Licensor hereby grants You a worldwide, royalty-free, non-sublicensable, non-exclusive, irrevocable license to exercise the Licensed Rights in the ORC Content to Use the ORC Content, in whole or in part. Licensor hereby authorizes You to exercise the Licensed Rights in all media and formats whether now known or hereafter created, and to make technical modifications necessary to do so. Licensor hereby waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures.
- b. **Grant of Adapted ORC Content by You.** You hereby receive an offer from the Licensor to exercise the Licensed Rights on the express condition that You do and hereby grant to every recipient of the Adapted ORC Content an offer to exercise the Licensed Rights in the Adapted ORC Content under the terms and conditions hereof pursuant to which such Adapted ORC Content shall be licensed as ORC Content to such recipient. You may not offer or impose any additional or different terms or conditions on, or apply any Effective Technological Measures to, the ORC Content if doing so restricts exercise of the Licensed Rights by any recipient of the ORC Content.
- c. **Database Rights.** Where the Licensed Rights include Sui Generis Database Rights that apply to Your Use of the ORC Content, this ORC License grants You the right to extract, reuse, reproduce, and Use all or a substantial portion of the contents of the database, and if You include all or a substantial portion of the database contents in a database in which You have Sui Generis Database Rights, then the database in which You have Sui Generis Database Rights (but not its individual contents) shall constitute Adapted ORC Content.
- d. **Limitations.**
  - i. Nothing in this ORC License constitutes or may be construed as permission to assert or imply that You are, or that Your Use of the ORC Content is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution hereunder.
  - ii. Moral rights, such as the right of integrity, are not licensed under this ORC License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Licensor waives and/or agrees not to assert any such rights held by the

Licensors to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise.

- iii. To the extent possible, the Licensor waives any right to collect royalties from You for the exercise of the Licensed Rights and Use of the ORC Content, whether directly or through a collecting society under any voluntary or waivable statutory or compulsory licensing scheme.

### III. **Required Notice.** The grant of this ORC License to You is expressly conditioned on You including the notice statements described in subsections (a)-(c) below in a reasonable manner based on the medium, means, and context in which You Used the ORC Content:

For the avoidance of doubt, both Licensor and all parties similarly credited under Licensor's attribution notice should be included in Your attribution notice unless otherwise reasonably indicated by such parties.
- ii. A statement indicating how You wish to be reasonably credited with respect to the Adapted ORC Content licensed by You under this ORC License, including by pseudonym if designated.

- c. **Product Identity Notice.** A statement based on reasonable, good-faith efforts that identifies the elements of Your Product Identity, if any, contained in the work in which You Use the ORC Content. IV. **Warranty & Limitation of Liability.** Licensor licenses the ORC Content as-is and as-available, and makes no representations or warranties of any kind concerning the ORC Content, whether express, implied, statutory, or other. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable. Where disclaimers of warranties are not allowed in full or in part, this disclaimer may not apply to You. To the extent possible, in no event will the Licensor be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs, expenses, or damages arising out of this ORC License or use of the ORC Content, even if the Licensor has been advised of the possibility of such losses, costs, expenses, or damages. Where a limitation of liability is not allowed in full or in part, this limitation may not apply to You. The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

V. **Other Terms & Conditions.**

- a. **Termination & Remedies.** Your license to Use the ORC Content will terminate automatically if You fail to comply with the terms and condition of this ORC License. Your license will be reinstated, effective as of the date of termination, if You cure such violation on a going forward basis (without the obligation to destroy inventory on hand) within 60 days of Your discovery of the violation or if Licensor waives such violation in writing. No such termination shall affect, limit, or disrupt the rights of any Licensor or downstream licensee of any ORC Content under any ORC License. Only the Licensor and Licensor's upstream licensors under this ORC License (which You are deemed to be in privity herewith) may bring enforcement action against You hereunder. This constitutes a limitation on Licensor remedies with respect to the license grant in the ORC Content hereunder; however, this ORC License neither limits Licensor's remedies in any way with respect to Licensor's Product Identity, nor does it limit Licensor's right to offer the ORC Content or Product Identity under separate terms or conditions.
- b. **Modifications.** This ORC License may not be amended, superseded, modified, updated, repealed, revoked, or deauthorized. Neither You nor Licensor may modify the terms of this ORC License; however, You may enter into a separate agreement of Your own making provided such agreement does not seek to modify the terms hereof. This ORC License does not, and shall not be interpreted to reduce, limit, restrict, or impose conditions on any use of the ORC Content that could lawfully be made without permission under this ORC License. To the extent possible, if any provision of this ORC License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this ORC License without affecting the enforceability of the remaining terms and conditions. No term or condition of this ORC License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor. Nothing in this ORC License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor or You, including from the legal processes of any jurisdiction or authority.
